

**O'BRIEN
CENTERS**

Collaborating for the
Advancement of
Interdisciplinary Research
in Benign Urology

CAIRIBU O'Brien Center Summer Student Research Jamboree

Friday, July 21

1:00-3:00 PM Eastern

(12 PM Central | 10 AM Pacific)

Go to the [CAIRIBU website](#)
Events Page to find the Zoom
link to participate. ALL ARE
WELCOME to attend.

Undergraduate students from summer programs at George M. O'Brien Urology (U54) Cooperative Research Centers will present their research to an audience of clinicians and scientists engaged in research that addresses the significant burden of non-malignant genitourinary diseases. These include urinary tract infections, overactive bladder, neurogenic bladder, urinary incontinence, interstitial cystitis, kidney and ureteral stones, prostate enlargement, prostatitis, congenital urinary tract abnormalities, pelvic floor problems, and male reproductive dysfunction.

Participating O'Brien Centers are: Stanford University, the University of Wisconsin-Madison, and Columbia University. Along with other research programs funded by the National Institute of Diabetes and Digestive and Kidney Diseases, the Urology O'Brien Centers are part of a collaborative research community called [CAIRIBU](#) (Collaborating for the Advancement of Interdisciplinary Research in Benign Urology).

JAMBOREE PROGRAM

- 1:00 PM** **Welcome and introduction**
- 1:10** **Group 1 student presentations***
Virtual poster hall w/moderated Q&A
- 1:45** **Group 2 student presentations***
