CAIRIBU: Collaborating for the Advancement of Interdisciplinary Research in Benign Urology

- **NIDDK-funded Centers and Programs**

- U54 Urology O'Brien Centers, P20 Urology Centers, and K12 Urology Career Development Programs
- Investigators and trainees from broader urology research community

- **CAIRIBU Interactions Core**

- Mission: Promote strategic networking & interactions leading to fruitful inter- and transdisciplinary research collaborations
- Goals: Advance non-malignant GU research, increase number and diversity of investigators in non-malignant GU research, train next generation

• Website: <https://CAIRIBU.urology.wisc.edu> | Annual mtg: Dec 4-6, Milwaukee, WI
O'Brien Center research resources, trainee resources, grant writing & community engagement resources, monthly lists of new publications by CAIRIBU investigators, announcements of urology-related events, funding resources, collaborative research resources

UROLOGY O'BRIEN CENTERS

A promotional banner for the KUH Summer Undergraduate Research Symposium. The banner has a dark blue background on the left and a brown background on the right, separated by a curved orange line. The text "KUH Summer Undergraduate Research Symposium" is written in a large, white, bold, italicized font. Below this, the location "Alumni Hall at the University of Virginia Alumni Association, 211 Emmet Street South, Charlottesville, VA 22903" is listed in a smaller white font. On the right side, the dates "July 31–August 2, 2024" are displayed in white. At the bottom right, there are logos for the University of Virginia and the NIH, with the NIH logo including the text "National Institute of Diabetes and Digestive and Kidney Diseases".
